

MANaging Graduated approach and Including balanced Curriculum for Special Educational Needs Students

What is Magic Sens?

MAGICSENS is a 2-year European Project aiming in enhancing the skills and competences of teachers in primary and secondary schools on how to work with students with Special Educational Needs (SEN), such as learning disabilities, language problems, ADHD deficit (Attention Deficit Hyperactivity Disorder), ASD deficit (Autistic Spectrum Disorders) and Borderline Intellectual Functioning.

Objectives

- **Enhancement** of the skills and competences of teachers in primary and secondary schools
- **Improvement** of the quality and the effectiveness of the education procedure to classes with students with SEN
- **Empowerment** of the educational methodologies for students with SEN
- **Creation** of a SEN Toolkit for teachers

Target Groups

Primary

- Teachers in primary and secondary schools

Secondary

- Professionals in Special Needs Education
- Students with SEN and their families
- Supervisory authorities of primary and secondary education
- Organisations for pre-school and school age students with SEN

Partners

Co-funded by the Erasmus+ programme of the European Union
