Kick-off Meeting in Ptuj

On **9-10 October 2025**, project partners met in **Ptuj, Slovenia**, for the **DAMET Kick-off Meeting**.

During the meeting, partners:

aligned on the project vision, objectives and structure,

reviewed work packages and expected results,

agreed on collaboration, communication and quality-assurance procedures,

defined responsibilities and timelines for the first project phase.

The meeting marked an important starting point and established a shared understanding of how the partnership will work together over the next two years.

What Will DAMET Deliver?

The project develops practical training for teachers and mentors entitled "**Teaching in the age of artificial intelligence: Tools, Ethics, and Practice for Adult Educators,**" which will consist of six modules and enable participants to acquire micro-qualifications in the field of digital and pedagogical competences.

Results:

An online training programme for adult educators
(6 modules on AI tools and AI ethics in education)

The DAMET Digital Competency Development Platform
– a central hub for learning, progress tracking and certification

A micro-credential framework, aligned with EU standards

Digital badges and recognition tools for specific competences

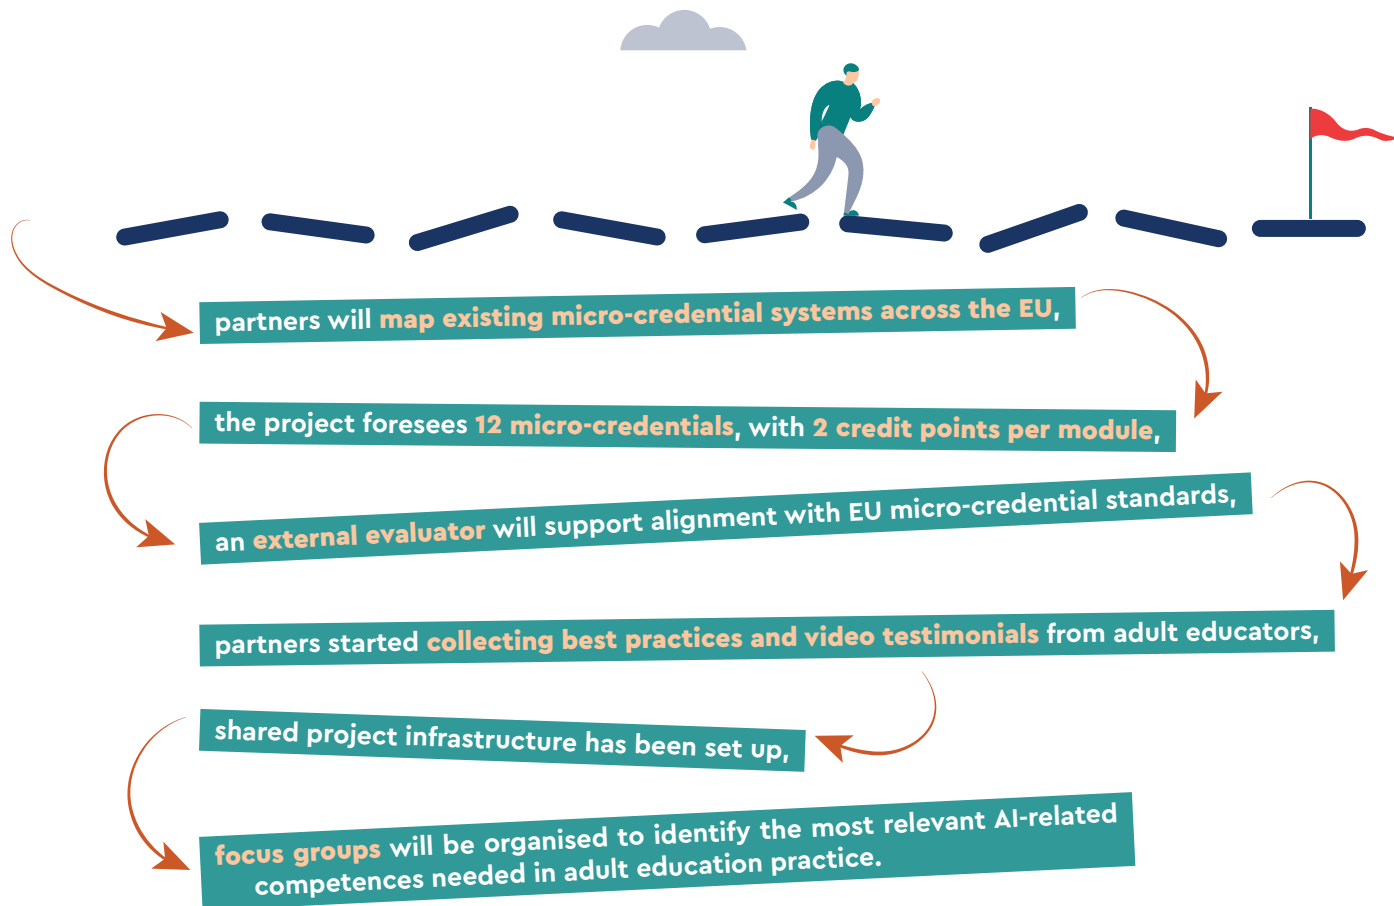

A digital transformation framework for adult education organisations

All project outputs will be available in English and partners' national languages.

Agreed Next Steps

Based on the Kick-off Meeting discussions, partners agreed on the following immediate actions:

The next transnational project meeting is planned for **July 2026 in Patras (Greece)**

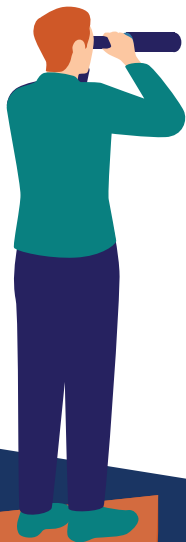

DAMET

Looking Ahead

DAMET is more than a project – it is a collaborative European effort to empower adult educators with the skills, tools and recognition needed for the digital age.

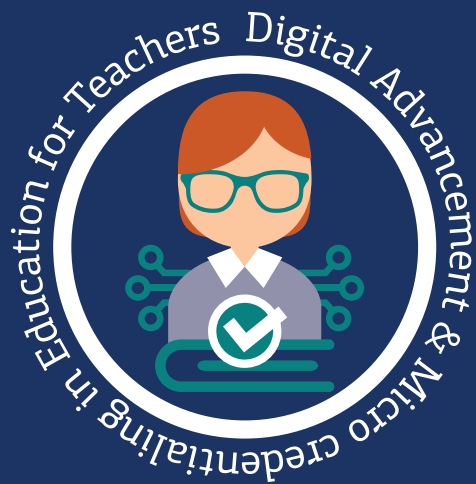

In future newsletters, we will present:

- individual work packages,
- partner organisations,
- concrete AI tools and training modules,
- pilot activities and learning experiences.

Stay connected and follow our journey towards the future of adult education
